

Admission to the PhD in Physics at the University of Pavia

Indications for the interviews in video-conference

General indications

Candidates who choose to hold the oral exam in video-conference should have received an email from silva.bortolussi@unipv.it with instructions and with the calendar below. If you did not receive this email, please write to silva.bortolussi@unipv.it, c.c. to lucio.andreani@unipv.it as soon as possible.

We ask you to reply to the email and provide your skype address, please check the email and be connected on skype in the time slot of your session, the Committee may contact you in case of change of schedule.

Interviews will take place on the Zoom platform, you can connect using the meeting ID and password that you received in the email. Please connect at the starting time of your session and remain connected for the whole duration of the session. When connecting, you will be first in the waiting room. The Committee will admit you to the meeting room when it is your turn.

Before starting the interview, the Committee must verify your identity, please show the ID document that you uploaded with the application.
