

Sestri Levante, 14th–16th December 2023

With the patronage of:

The **Italian Photochemistry Meeting 2023** organized by the Italian Group of Photochemistry (GIF) and the Interdivisional Group of Photochemistry of the Italian Chemical Society (GIdF) will be held from **December 14th to December 16th 2023** in **Sestri Levante**.

The scientific program will include:

- **four plenary lectures** delivered by:

- Prof. Ilse Manet (ISOF CNR)
- Prof. Burkhard König (Regensburg D)
- Prof. Liberato Manna (UNIGE)
- Prof. Massimo Trotta (CNR BARI)

- **one keynote** from the recipient of the “Franco Scandola” *GIF Young Investigator Award 2023*:

- **one keynote** from the recipient of the “Ugo Mazzucato” *Award 2023*:

The scientific program will include short oral communications and a poster session. The official language of the conference will be English. Young researchers, post-docs and PhD students are encouraged to submit an abstract for an oral communication and/or poster presentation.

Scientific contribution and registration

The **abstract** must be prepared according to the template attached to this circular and submitted before **October 20th 2023** to

the following email:
photochemistry@unipv.it

Registration must be made before **September 20th 2023** using the form, to be sent to photochemistry@unipv.it

The **registration fees** are:

220 € standard registration fee

150 € fee for GIF/GIdF members

The registration fee covers the participation to the conference, all coffee breaks, the lunch and the social dinner on Friday December 15th. The fee can only be paid by bank transfer to the GIF bank account:

Beneficiary: Gruppo Italiano di Fotochimica

Bank: Banca Intesa Sanpaolo

IBAN: IT41 J030 6909 6061 0000 0067 181

BIC: BCITITMMXXX

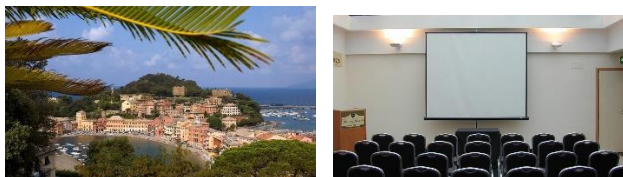

Reason: GIF Meeting 2023

A certain number of **scholarships** covering 100% of the registration costs will be available for GIF/GIdF members with a non-permanent position. The corresponding request must be accompanied by a letter from the supervisor and submitted when filling the registration form.

Important: if application for a scholarship has been made, no registration fee must be paid until further communication from the organizing committee.

Congress venue

The **Italian Photochemistry Meeting 2023** will start on Thursday, December 14th at 14.00, and will close on Saturday, December 16th at 13.00. The meeting will take place at the **Grande Albergo Hotel** in **Via Vittorio Veneto 2**, 16039 Sestri Levante (GE). The conference site is easily accessible by foot (less than 10 min) from the train station.

GIF awards

1) Best oral & best poster communications

The authors of both the best oral and the best poster communications presented at the meeting will be awarded by the scientific committee.

2) “Franco Scandola” GIF Young Investigator Award 2023

3) “Ugo Mazzucato” Award 2023

The winners of the contests for the best PhD thesis in Photochemistry 2023 and the GIF Young Investigator Award 2023 are invited to present their research with an oral presentation during the meeting. Their registration fees will be fully covered. The awardees will receive a certificate.
